Index to the AEDS Journal, 1968-69

Volume 2, Nos. 1-4

(September 1968 through June 1969)

SUBJECTS

Administration

"Application of Scientific Management Techniques to College and University Administration." Pinnell, Charles; 2:1; 19-32

"Developing a Management Information System for Colleges and Universities." Sire, Paul W.; 2:4; 20-24

APL

"APL and Its Use in the Classroom." Raucher, Stephen M.; 2:2; 3-11

Attendance

"School Attendance Area Analysis System." Coffeen, Kenneth L., Dueker, Kenneth J., Hanson, Thomas J., and Hawley, Clifford; 2:1; 3-11

Culture

"The Evolving Data Processing Culture." Tidwell, Kenneth W.; 2:1; 12-18

Data File

"A Master Data File on the Academic and Professional Staff." Muir, John W., and Harris, John W.; 2:3; 13-20

Data Processing Culture

"The Evolving Data Processing Culture." Tidwell, Kenneth W.; 2:1; 12-18

Design, School

"Better Space Construction Decisions Using GASP." Apker, Wesley; 2:2; 29-32 and 2:3; 21-32

Documentation

"Data Systems Documentation: Why and Where." Burns, Frederick J.; 2:4; 25-32

Enrollment

"School Attendance Area Analysis System." Coffeen, Kenneth L., Dueker, Kenneth J., Hanson, Thomas J., and Hawley, Clifford; 2:1; 3-11

Florida
"Time-Sharing at the University of Florida Using the "IF" Program." Selfridge, Ralph G.; 2:3 9-12

GASP
"Better Space Construction Decisions Using GASP." Apker, Wesley; 2:2; 29-32 and 2:3; 21-32

Hardware Selection
"Selecting the Proper Data Processing Equipment." Gordon, William L.; 2:2; 12-17

Higher Education
"Application of Scientific Management Techniques to College and University Administration:" Pinnell, Charles; 2:1; 19-32
"Developing a Management Information System for Colleges and Universities." Sire, Paul W.; 2:4; 20-24
"Computer Simulation of Student Mobility Patterns." Wong, York; 2:4; 3-19

"IF" Program
"Time-Sharing at the University of Florida Using the "IF" Program." Selfridge, Ralph G.; 2:3; 9-12

Languages
"APL and Its Use in the Classroom." Raucher, Stephen M.; 2:2; 3-11

Management Information System
"Application of Scientific Management Techniques to College and University Administration." Pinnell, Charles; 2:1; 9-32
"Developing a Management Information System for Colleges and Universities." Sire, Paul W.; 2:4; 20-24

Mobility
"Computer Simulation of Student Mobility Patterns." Wong, York; 2:4; 3-19

Model
"A Global Model Relating Education, Manpower, and the Economy." LeVasseur, Paul M.; 2:2; 18-28
"Computer Simulation of Student Mobility Patterns." Wong, York; 2:4; 3-19

Personnel File
"A Master Data File on the Academic and Professional Staff." Muir, John W., and Harris, John W.; 2:3; 13-20

Programming Languages
"APL and Its Use in the Classroom." Raucher, Stephen M.; 2:2; 3-11

School Design
"Better Space Construction Decisions Using GASP." Apker, Wesley; 2:2; 29-32 and 2:3; 21-32

Selection, Hardware
"Selecting the Proper Data Processing Equipment." Gordon, William L.; 2:2; 12-17

Simulation
"A Global Model Relating Education, Manpower, and the Economy." LeVasseur, Paul M.; 2:2; 18-28
"Computer Simulation of Student Mobility Patterns." Wong, York; 2:4; 3-19

Staff
"A Master Data File on the Academic and Professional Staff." Muir, John W., and Harris, John W.; 2:3 13-20

Stochastic
"Computer Simulation of Student Mobility Patterns." Wong, York; 2:4; 3-19

Student
"Computer Simulation of Student Mobility Patterns." Wong, York; 2:4; 3-19

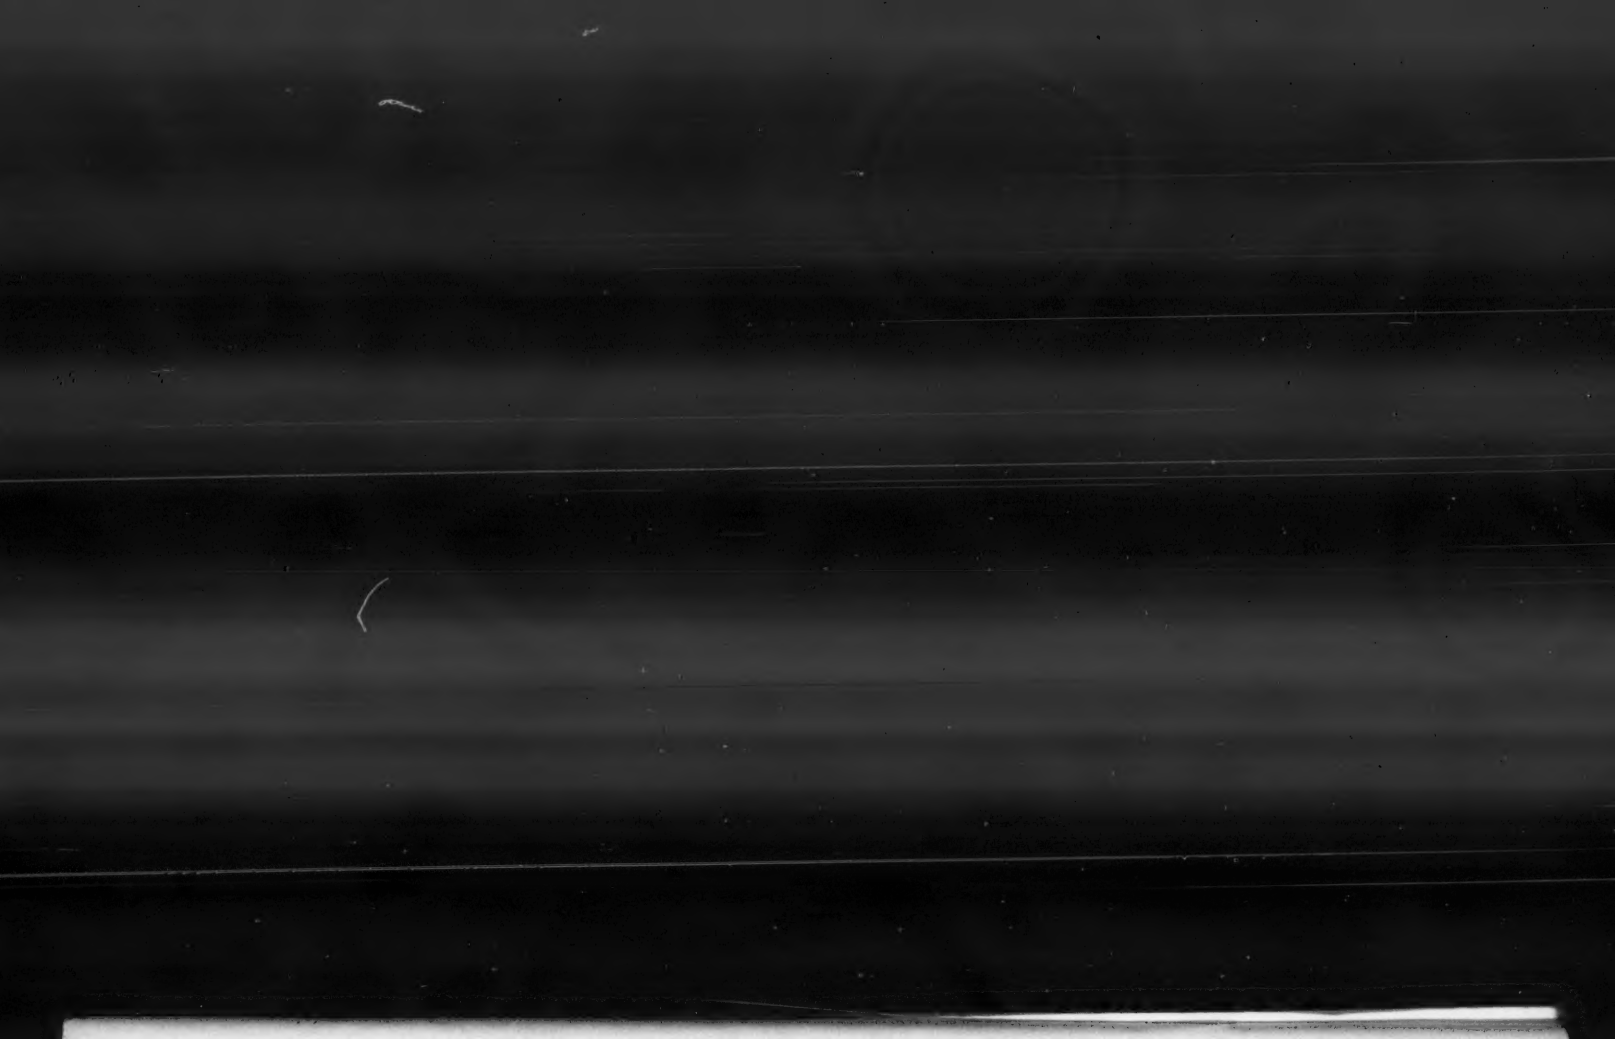
System
"Data Systems Documentation: Why and Where." Burns, Frederick J.; 2:4; 25-32
"Developing a Management Information System for Colleges and Universities." Sire, Paul W.; 2:4; 20-24
"School Attendance Area Analysis System." Coffeen, Kenneth L., Dueker, Kenneth J., Hanson, Thomas J., and Hawley, Clifford; 2:1; 3-11

Time-Sharing
"Computer Time-Sharing: A Developing Technique." Llana, Andres, Jr.; 2:3; 3-8
"Time-Sharing at the University of Florida Using the "IF" Program." Selfridge, Ralph G.; 2:3; 9-12

TITLES

"APL and Its Use in the Classroom." Raucher, Stephen M.; 2:2; 3-11
"Application of Scientific Management Techniques to College and University Administration." Pinnell, Charles; 2:1; 19-32
"Better Space Construction Decisions Using GASP." Apker, Wesley; 2:2; 29-32 and 2:3; 21-32
"Computer Simulation of Student Mobility Patterns." Wong, York; 2:4; 3-19
"Computer Time-Sharing: A Developing Technique." Llana, Andres, Jr.; 2:3; 3-8
"Data Systems Documentation: Why and Where." Burns, Frederick J.; 2:4; 25-32
"Developing a Management Information System for Colleges and Universities." Sire, Paul W.; 2:4; 20-24
"The Evolving Data Processing Culture." Tidwell, Kenneth W.; 2:1; 12-18

"A Global Model Relating Education, Manpower, and the Economy." LeVasseur, Paul M.; 2:2; 18-28
"A Master Data File on the Academic and Professional Staff." Muir, John W., and Harris, John W.; 2:3; 13-20
"School Attendance Area Analysis System." Coffeen, Kenneth L., Dueker, Kenneth J., Hanson, Thomas J., and Hawley, Clifford; 2:1; 3-11
"Selecting the Proper Data Processing Equipment." Gordon, William L.; 2:2; 12-17
"Socio-Economic Planning Sciences." 2:3; 12 (journal review)
"Time-Sharing at the University of Florida Using the "IF" Program." Selfridge, Ralph G.; 2:3; 9-12

AUTHORS


Apker, Wesley; "Better Space Construction Decisions Using GASP." 2:2; 29-32
Burns, Frederick J.; "Data Systems Documentation: Why and Where." 2:4; 25-32
Coffeen, Kenneth L., et al; "School Attendance Area Analysis System." 2:1; 3-11
